

YEAR ONE  
Newsletter

Dear Parents and Carers,

English

The children have begun writing their own information booklets about 'Ladybird Facts'. We recapped all of the interesting facts that we learnt about ladybirds and wrote them down in our own words. We have been trying really hard to remember to add a full stop at the end of every sentence, start our sentences with capital letters and use clear finger spaces in our writing

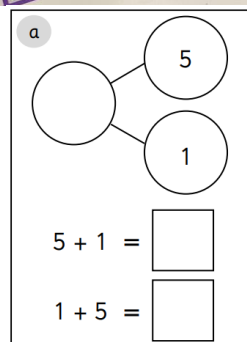

Maths

In Maths this week, we have been finding parts and wholes of numbers. We began by using double sided counters. We sorted them into two groups based on their colours (the parts) and counted how many we had in total (the whole). Next, we used the part-whole model to help us write and solve addition number sentences.

Science

We began our 'Seasons' science topic this week by introducing the four different seasons and going on an Autumn walk around the school grounds. We looked for signs of autumn by finding fallen leaves of different colours. The children then drew autumn pictures and wrote about the changes that happen this season.

PE

In PE, we have been learning dances that link to our 'Seaside' topic. This week, we focused on creatures that you find at the seaside or under the sea. We created movements for different animals and linked the movements into a sequence, which we then performed to the rest of the class.

Cake sale – Wednesday 18<sup>th</sup> October

We will be hosting our cake sale next Wednesday to raise money for Year 1's outdoor area. Please can children bring in a few cakes to sell at break time to the rest of the school? If they are home-baked cakes, please can the containers/plates, etc be named so we can return them to you at the end of the day? Please note that, due to allergies, we are a "nut free" school, so the cakes cannot include nuts of any kind. Thank you so much for your support!

Woodland learning

Our next Woodland learning session is on Monday 16<sup>th</sup> October. Please can children arrive in school dressed in their Woodland learning clothes? Many thanks ☺

We hope you all have a lovely weekend, see you next week!  
Mrs Mockler, Mrs Robinson, Mrs Millar and Miss Hall
