Term Five Week Two

English

All we need to say is 'egg'! A mysterious egg turned up within the Reception outdoor area! Mrs Gibbs spotted it and we then went to investigate. We discussed where it could possibly have come from, what kind of egg it could be and what we should do with it? We thought it'd be best to all write a letter to Mrs Holditch explaining what had happened, describing the egg and also asking her for advice. Mrs Holditch has since replied to us and has told us to keep an eye out as the egg has disappeared. I then introduced our new book, 'The Egg' by M.P. Robertson, which coincidentally is all about a rather large egg that appeared in George's chicken coop! George decides to look after it, but after three days and three nights, it started to rumble! The children had to continue the story using their own ideas.

Maths

In Maths this week, we have been finishing off the Multiplication and Division topic. Following on from previous learning, the children can use their knowledge of the times tables to divide. They have become aware that they can use the 2s, 5s and 10s times-table to help them fluently divide by 2, 5 and 10.

- Complete the sentences.

There are 12 eggs altogether.

There are 2 groups.

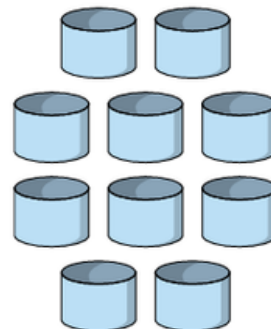

There are 6 eggs in each group.

$12 \div 2 = \underline{6}$ $\underline{6} \times 2 = 12$

Miss Hall has some pens.

She shares them equally between 10 pots.

How many pens could be in each pot?

Find as many ways to share the pens as you can.

What do you notice about your answers?
