

# Year 2

## Newsletter

Term 1 Week 1

### Welcome to Year 2

Wow! What a first week back. It has been lovely to see your children again. It's been brilliant as both the children and adults know each other well already. We did play some 'Getting to Know You More' games, which helped the children to know Miss Brooks and vice versa.

### English

In English this week we have done a variety of different activities. First, we put a spin on the usual 'write about your Summer Holidays' and played 'Two Truths and a Lie'. The children had to write two things that they actually did in the holidays and one thing that they didn't. We then read them aloud and had to guess which ones happened and not.

### Maths

We have been recapping Place Value up to 100, reminding ourselves of how many tens and ones are in any given number. We have used diennes, tens frames and tens frames to help consolidate our understanding

## History

We have started our learning based on The Great Fire of London. We looked at the differences of London in the past and compared it to the present day. The children identified that lots of the buildings in the past were made of wood, there weren't many lights at night and that horses and carts were used to get around.

## Homework

- Please read daily and record it in your Reading Record Book.
- Please start to learn the two times tables (from 2x0 to 2x12). The children will not be tested just yet, but it is important to start learning the two times tables (in any order).
- Please learn the spellings (Uploaded to Seesaw) to be tested next Thursday.

## Dates

Woodland Learning - Thursday 14th September  
Individual Photos - Friday 29th September  
Woodland Learning - Thursday 5th October
