Term Two Week Four

Christmas is fast approaching, and we are in full swing of practicing for our Nativity. The children have been great at learning their lines and songs and they are all very excited for the big day. It's amazing to see how much progress they've made since we started rehearsing. In addition to preparing for the Nativity, we've been talking about the true meaning of Christmas, and how it's a time for giving, kindness, and love. We've been discussing ways we can spread joy to others, whether it's through donating like our Reverse Advent Calendar. Thank you to all those who have donated so far.

Maths

This week the children have learnt to subtract a one-digit number from a two-digit number that crosses ten. Children learnt that when we are subtracting they can exchange one ten for ten ones and help this to calculate their answers. The children used equipment such as Base 10 or place value counters to help them visualise the exchanges made.

English

In English this week the children have written a non-chronological report all about Florence Nightingale. In order to do this the children have learnt facts about her under the following headings: 'Early Life', 'What was the Scutari Hospital like before she arrived?', 'Why is she Famous?' and 'What was the Scutari Hospital like after she arrived?'. The children were able to complete this over a few days of learning. They have really impressed us with their stamina.

Class Worship

On Friday afternoon, we had our first class worship to the rest of the School. We shared our learning on Florence Nightingale and discussed how she showed love, trust, respect and compassion during her time as a nurse.

Seesaw

Just a little reminder that Seesaw is a learning platform for your children's learning. If you have any concerns about your child and would like to discuss these please could these messages be emailed through to the office. This is also the same with arrangements for pick ups.
