

# Year 4 Newsletter

Week beginning: Monday 3<sup>rd</sup> February, 2025

## Woodland Learning

We had a great time at Woodland Learning on Wednesday.

## History Projects

Thank you for supporting the children with their history projects- they are fantastic! The children presented their projects to the class across the week. Well done, Year Four. Projects will remain in school, on display, until next term.

## English

With Miss Courtney, Year Four completed their fictional stories based on The Dragon Machine. They wrote a high-quality ending on Monday and then wrote them

up as a whole text in the week. Next week, we will create front covers and blurbs. The children will bring them home to share with you before the end of term.

### Science

We continued our learning on the digestive system on Tuesday by making a model using bread, food colouring, orange juice and other random ingredients! The purpose of this model was to demonstrate how food moves through the digestive system. The children found parts of this rather revolting!

## DT

In DT this week, we planned and created Anglo-Saxon brooches using clay. We used clay tools to make patterns and 3D effects. We will now give the time to dry out and will paint them next week.

clay

## Spellings

|           |          |            |
|-----------|----------|------------|
| measure   | treasure | pleasure   |
| enclosure | creature | furniture  |
| picture   | nature   | adventure  |
| capture   | leisure  | literature |
| departure | puncture | mixture    |
| future    | cure     | sure       |

1. picture
2. capture
3. Treasure
4. creature
5. nature
6. pleasure
7. adventure
8. mixture
9. cure
10. sure

Have a wonderful weekend!

Miss Courtney, Mrs Pattanshetti, Mrs Burling and Mrs Millar 😊
