

Year 6 news

Term 2, Week 6

Maths:

This week, we have continued our work on fractions. We have also been working on our arithmetic skills and I am very pleased with the progress the children are making.

English:

The children used their notes about Anne Frank to write a biography. In reading comprehension, the children have continued to learn how to effectively answer questions posed. Please encourage your son/daughter to read regularly at home, as it will really help them with all areas of the curriculum – for example, understanding written word problems in maths.

Nativities:

On Monday, the children enjoyed watching the KS1 children perform their Nativity. KS2 can't wait to perform their own Nativity to you next week (**Tuesday at 2PM for parents/carers of year 6**). We have been practising a lot and KS1 enjoyed a preview yesterday.

Nativity in church - Tuesday 12th December at 2pm
Christmas Dinner – Wednesday 13th December
Christmas Jumper day – Wednesday 13th December
Christmas Party – Thursday 14th December

A snapshot of our week

World War II day:

We were so impressed with the children's outfits on Wednesday – they all looked great! See pictures below.

The children undertook a variety of tasks during the morning – for example, we learned about a Jewish girl called Vera, who, in 1939, used the Kindertransport to travel to the UK from an unsafe Czechoslovakia. Interestingly, whilst watching The One Show yesterday, she was featured in one of their special reports.

The children also did some code-cracking – I think that may have been the highlight of the day. They then learned about propaganda and made their own propaganda posters.
