

Year 6 news

Term 1, Week 7

A snapshot of our week
Stars: Harry B and Steph
Bright Spark: Isla

Maths:

This week, we have been learning about square and cube numbers. In addition, we have been learning about order of operations. The children have worked with great determination!

SPaG:

The children worked in pairs to answer a variety of punctuation and grammar questions.

History:

The children learnt about how Adolf Hitler became the chancellor of Germany. They also found out that he passed an act, to give himself emergency powers; which led to Hitler eventually having total control of the country. He became a dictator, as he was able to pass any law without the parliament's vote.

Term 2 Dates for your diary:

Woodland Learning:

Wednesday 1st November

Wednesday 22nd November

Year 6 cake sale: Wednesday 8th November
(children to bring in cakes to sell)

Parent consultations:

English:

We have continued to read our class book, Letters from the Lighthouse. The term *refugees* is mentioned in the book and this led to a discussion about what is happening in our world today. The children learnt more about what it means to be a refugee and wrote an explanation text titled, 'What is a refugee?'

Science:

This week, the children made shadow puppets in order to be able to carry out a shadow investigation. The puppets were all completed, but the investigation will be carried out the week after half term.

Half Term

No homework has been set for half term, as I am aware the children have the air raid shelters to complete and bring back.

Please encourage your children to keep reading daily.

We hope you have a restful half term!
