

Reception Newsletter

Friday 15th December 2023

Wow, what a crazy last week of school! It was such a shame to be poorly and miss most of the last week of term, but I am glad I made it back to spend the last few days of term with the children! I know they had a great time with Mrs Mitchell and Mrs Lepavoux!

In phonics this week the children have been reviewing all the Phase 2 phonemes we have learnt, all the Tricky Words and the children have practised segmenting sounds to spell words.

The children have enjoyed making Christmas chocolate truffles for you this week. We hope you like them! The children certainly had lots of fun getting messy with the chocolate and loved licking their fingers at the end!

The children met Mrs McKiernan this week and are looking forward to her being their new teacher. We will be together in class the first week back after the holidays to help with the transition. Please be assured there will be a thorough handover. I look forward to spending one more week with the children when we return!

I know we sent a thank you email last week for our lovely gifts, but I would like to say another big thank you for the gifts we have received from the collection and all the other gifts that have been given to us.

I hope you all have the most magical Christmas and New Year! The children truly deserve a break as they have worked so so hard this term.

Miss Dale
