

Reception Newsletter

Friday 20th December 2024

What a busy, exciting week we have had – I can't believe we're here at the end of term already and that this is my last newsletter to you all!

In phonics this week the children have been reviewing all the Phase 2 phonemes and the Tricky Words we have learnt and they have practised segmenting sounds to spell words. They have all done some lovely writing to Santa too – some of which is being sent back to the North Pole with our cheeky elf, Eddie!

The children met Miss Dale this week and are looking forward to her being their new teacher. She has really enjoyed getting to know them and it has been great for Miss Dale and I to spend time with the children together, to ensure a smooth transition for the new year. We have had a week full of parties, treats, Christmas activities, yummy food, games, dancing and singing! It has been great to be able to spend my last week with the children having such a fun time. It has been a pleasure getting to know the children over the last few months, and I'll be very sad to leave such a fantastic bunch, but I know they'll be in very safe hands with Miss Dale!

I would just like to say a big thank you, on behalf of Mrs Mitchell and myself, for the lovely gifts we have received from you and your children – you really are very kind and it is very much appreciated!

I would also like to say thank you for all of your donations to the Hygiene Bank through the Reverse Advent Calendar – they will all be delivered to the charity today and I know everything will be gratefully received.

I hope you all have the most magical Christmas and New Year! The children truly deserve a break as they have worked so hard this term, making great progress in their learning. I wish them, and all of you, the very best!
